BRIEF ABSTRACT OF LETTER.

Recommends for sanction the proposal of the Supdt. Sericulture to promote Messrs U.S. Govindadas, Shamsuddin Khan and Appadorai Mudaliar to the grade of Asst. Supdts and start them with 1 increment each

NOTES AND ORDERS.

Messrs U.S. Govindadas and Shamsuddin have been drawing Rs. 150/- since 9th Sept. 1[illegible] and 21st June 1923 respectively in grade 100-$\frac{50}{2}$. and Mr. Appadorai Mudaliar gets a Consolidated pay Rs. 270 (=150 in grade 100-10-150 + 120 Flat allowance since February 192[illegible].

2 The proposal is to start each with an advance increment as moess Govindarao and Shamana are each to get Rs. 170/- from 1.7. The case is not quite clear as to Appaswami Mudaliar. He is now Rs. 250/- + 20 Spl. Allce which it is proposed to give him 6 in grade 150 - 20 - 350 or give 170 grade, the difference being debited. Finance are asked for orders.

3 Submd with reference. H. Br. has to be consulted 18.9.26.

If two increments as proposed are given to Appaswami, he will get Rs 170 + the Rs 120 (including Rs 20/- H Rent) which is being now debited to the Finance.

5 These ~~are~~ proposals are to create 3 higher appointments against 6 top posts in the lower grade & the cost is as usual proposed to be reappropriated from 'mulberry leaves'. If the allotment under mulberry leaves is too high we may perhaps cut it down, instead of allowing it to be utilised as a perpetual source for reappn.

RE-ORGANISATION OF THE SERICULTURAL DEP"T.

--:0:--

The proposals of the Superintendent of - riculture may be summed up as below:-

i. Fixing the pay of the Supdt., of Sericulture.

i. Creation of the posts of Asst. Supdts.

iii. Making the Filature a permanent institution and placing it in charge of a Superintendent.

iv. Reallocation of charges and the appointment of a Senior Sericultural Inspector-in place of Mr.H.S.Govinda Rao (to be appointed Supdt. of Sericulture).

v. Appointment of a Mechanic for the charge of the pumping outfits, the filature machinery, the Refrigerating plant etc.,

vi. Deputation of Mr.K. Shamsuddin Khan to Japan.

vii. Redefining the powers of the Supdt., and conferring certain powers on the Asst. Supdts, in the matter of granting loans, appointing, granting - leave etc., to the establishment working under them.

---

i. Fixing the pay of the Superintendent Sericulture.

Regarding this, orders have already been issued appointing Mr.H.S. Govinda Rao as Supdt., of Sericulture. The previous Sericultural Superintendent has proposed in his note, a grade of Rs.250 25-450 for the officer; and the Director has recommended that Mr.H.S. Govinda Rao may be - iven Rs.300/- in the grade Rs.250-25-500. At he monthly meeting, it was decided that the ericultural Superintendent's appointment ma e given the grade 250-25-500. The pay wi t hich Mr. H.S. Govinda Rao has to be started his grade has to be settled. Perhaps he m tarted with Rs.300/-. This is for order -

ii & iii. Creation of the -

Superintendents & Making the Filature a permanent institution and placing it in - harge of a Superintendent.

The Superintendent has proposed that essrs. Shamsuddin Khan and Appadhorai Mudaiar may be appointed Asst. Supdts., in grade s.150-20-350. and given two advance increments ach, in view of the fact that they have been etting Rs.150/- for a number of years. In his connection, he has suggested that Mr.V.M ppadhorai Mudaliar who has intimate knowledge f the Filature technique and has been in ~~xx~~ harge of the Filature ever since it was started in 1922, may be designated Filature Supdt. and started on Rs.290/- (including the Filature allowance) in the Asst. Superintendent's grade; he states that it is very ~~desirx~~ desirable that the Filature Superintendent - should have semi-independent powers and that in all really important matters, the Director of (Agriculture?) should have the deciding voice. It was practically agreed ~~that~~, at the last - monthly meeting, that the Filature was a necessary equipment of the Sericultural Deptt., and that so long as that was so, the Supdt. of - Seri., ought to be responsible for the general working of the Department as a whole and that it was not desirable to have two Supdts., with more or less equal powers in the same Deptt. In this view, it would seem that Mr. V.M.Appadhorai Mudaliar may be appointed Asst. Supdt., and placed in charge of the Filature under the general supervision of the Supdt., of Seri. As regards the relative seniority between - Messrs. V.M. Appadhorai Mudaliar and K. Shamsuddin Khan, the Superintendent states that the latter should be treated as senior to Mr.Appa-

dhorai Mudaliar, in view of the fact that the first was appointed a Probationer on account of his higher general educational qualificatio as in the case of Mr. H.S. Govinda Rao. This view may be accepted.

iv. Reallocation of charges and the appointment of a Senior Sericultural Inspector in place of Mr. H.S. Govinda Rao to be appointed Supdt. of Sericulture.

The Sericultural Superintendent proposes that Mr. K. Shamsuddin Khan may be transferred from the Mysore Farm to the charge of Chennapatna Farm and that Mr.H.S. Venkata Rao, B.Sc., may be appointed as Senior Sericultural Inspector in place of Mr. H.S. Govinda Rao on Rs.100-$\frac{50}{2}$-150 as a temporary measure. This is for orders.

v. Appointment of a Mechanic for the charge of pumping outfits, the filature machinery and the refrigerating plant etc.

The Director has separately recommended the appointment of a Mechanic to look after this portion of the work in the Sericultural Deptt. The Director, I & C., has stated that he cannot spare a mechanic from his Deptt, and This is separately under consideration. ~~(and it is very likely that the appointment will be sanctioned)~~

has recommended that the appointment of a mechanic in the Seri. Deptt may be with a grade 70-5-100 Sanctioned.

vi. Deputation of Mr. K. Shamsuddin Khan to Japan.

~~Extra leave granted to the Asst.~~ This question is reserved for consideration at Budget time.

vii. Redefining the powers of the Supdt. and conferring certain powers on the Asst.-Supdts. in the matter of granting loans, appointing, granting leave etc., to the establishment working under them

The Superintendent has proposed that the Superintendent may continue to exercise all the powers now vested in the appointment with the following modifications:- under the new arrangement

5-222

(i) The limit of sanction of sericultural loans may be lowered from Rs.500 to Rs.250.

(ii) Direct disciplinary action over staff may be delegated to immediate superiors, the Superintendent retaining merely powers of revision and appeal. He has also suggested that Asst. Supdts., may be empowered to grant leave to their subordinates and to fine them up to Rs.2/- in each case and to appoint menials within the sanctioned scale and to sanction loans up to Rs.100/- in each case.

The general center of the Seri. Dept has since been transferred ~~under the general~~ to the Dir² of I+C. from the Dir² of Agri: in the order directing the transfer, it has been provided that the Dir² of I+C. may exercise all the powers previously vested in (including those of sanctioning loans) exercised BRS. by the Dir² of Agri.

48 The Assistant Secretary's note gives full details of the proposals. (1) The fixing of Mr. H.S. Govinda Rao's pay (or to be more exact, the pay of th Superintendent of Sericulture) at Rs.250-25-500 (2) the promotion of Messrs. K. Shamsuddin and V.M. Appadorai Mudaliar to the Gazetted rank as Assistant Superintendents of Sericulture with a grade of - Rs.150-20-350 and ~~a~~ (3) the deputation of Mr. K. Shamsuddinkhan for foreign training have been discussed with the Director of Agriculture and the Director of Industries and Commerce, and approved informally by the Dewan and the Member. The points for decision now are:

(1) the starting pay to be given to these officers and
(2) the relative rank of Messrs. Shamsuddin Khan and Appadorai Mudaliar.

49 In regard to (1), Mr. Govinda Rao may be given Rs.300 a month in the grade already mentioned. ~~from 1st July 1927.~~ That would give him a decided superiority in pay over the other officers of the Department of which he is in charge; and this is very desirable. In regard to the other two officers Mr. Appadorai Mudaliar is already getting Rs.270 of which Rs.150 is his pay as Senior Inspector, Rs.100, filature allowance, and Rs.20 house rent. Mr. Shamsuddin Khan has been getting Rs.150. Both these officers might be started with two increments that is, on Rs.190. In addition to his pay, Mr. Appadorai Mudaliar may be given a filature allowance of Rs.100 and designated ~~as~~ "Assistant Superintendent

Serial No.

in charge of Filature". In regard to the relative seniority, consistently with the principle on which Mr. Govinda Rao was appointed as Superintendent of Sericulture, Mr. K. Shamsuddin Khan will, I think, have to be placed above Mr. Appadorai Mudaliar. This, I believe, was the intention of Government while creating the posts of Sericultural Probationer

50 The other points for orders are -the appointment of a departmental mechanic on the whole-time staff of the Department. This proposal having come up in a separate file, the Second Member has agreed that it was necessary; and the Director of Industrie and Commerce who was consulted was of opinion that this mechanic might be either given a grade of - Rs.70-5-100 or if this was ~~considered inexpedient~~ not possible at present, started on a fixed pay of Rs.75 or 80.

51 The promotion of Mr. H.S. Govinda Rao leaves one post of Senior Inspector vacant, and it is necessary that this vacancy should be filled, since an officer of that rank is absolutely necessary for ~~the~~ the charge of the Mysore Central Farm and circle ~~work of Mysore~~. Mr. H.S.Venkat Rao, B.Sc. is, I understand placed in charge of thi work. He is a competent man, and may perhaps be kept on.

52 While there can be no doubt that all officer of the Department should be subject to the control of the Superintendent of Sericulture, yet, in view of the special knowledge necessary for running the Filature, it seems desirable that ~~in this work,~~ there should not be ~~no~~ interference (in details). I discussed this

WD 01229—GPB—37,500—1-9-26

with the Director of Industries and Commerce and h agrees with me. The nature of the supervision and control that may be exercised by the Superintenden of Sericulture and the discretionary powers which might be vested in the officer in charge of the Filature itself might be left to be decided by the Director of Industries and Commerce, who might be requested to send a copy of his orders to Government for information. The question of Mr. Shamsuddin Khan's deputation (~~is~~ has been ordered to be considered at the budget time.

53 The net result of these promotions and add tional appointment is an increase of Rs. 727 7/9 p.m. Against this will have to be set off the saving o Rs. 805 5/9 p.m. in consequence of the change of incumbency in the charge of the Department. In the result, in spite of these long overdue promotions the net savings in the Department will be Rs. 78 1/3

54 The proposals may be approved.

There are activities which have to be developed. It is impossible for the Dept to provide all the seed supply required by the industry - and the only solution of this - the most important problem of Mysore Sericulture - is to organise & develop working under adequate control. A Semin Officer will have to be put controlling on this work, & another on conservation. It is a point for orders whether these two officers might be added to the permanent cadre on 100-10-150. 79 There are one or two points on which it is proposed to pass orders in the draft put up, but which are not quite clear to me. Has it been settled that a Filature should be a permanent appendage of the Sericulture Department? If not, how can Mr. Appadorai Mudaliar be started on Rs 270 in the new grade. Is it not a better arrangement to keep separate from his pay the allowance paid to him for the charge of the Filature? The late Superintendent's opinion was that Mr. Shamsuddin should rank as Mr.Appadorai Mudaliar's senior and this position will be totally altered if the latter's pay is fixed at Rs 270, while the former is allowed only Rs 170. Even apart from the question of relative position of these two officers, the creation of as wide a difference as Rs 100 in fixing them up in the new grade, appears to me to be undesirable. Is Mr. H.S.Venkata Rao who is proposed to be appointed as the Senior Inspector, at present in ~~charge of~~ the Department and if so, is he the senior most qualified officer for the promotion recommended for him?

Note (1.5.27)

80 It is practically seems that the Filature is to be a permanent institution.

81 Re Mr Appadorai Mudaliar, for my full proposal, please see para 49. In that para, I have also touched on the problem of relative seniority

82 Mr H S Venkata Rao is acting in the Dept. acting as Sr Insp. He is not the senior most man — Mr K P Rama is in charge at Kolar, & Mr K R Krishnamurti is in charge of Coimbatore with one both senior to him. He is a better man & better qualified (being a Botany & Zoology B Sc) than either of them. He would be a very welcome addition to the strength of the Dept; but perhaps it would be as well to confirm Mr K P Ramaya as Sr Insp, and appoint Mr H S Venkata Rao permanent Asstt Insp x Ag Sr Insp in his place.

83 In View of the Opinion of HE the late Supt in regard to the relative merits of Messrs Shamsundar and Appadurai Mudr. etc it not possible to start the latter on Rs 290 in the new grade. At the same time it is not fair to reduce his total emoluments at any rate so long as he is in charge of the Malaria

It seems strange to me on the record that Mr. Mudaliar was allowed recognised as senior. Please see Sup's letter No 179 D. 27th July 1922 Sub: Mr S's removal. In this the pay of Mr. Appadurai is shown as Rs 200; & his name for below Mr Govinda Rao; & above Mr C. D Coleman also suggested only bringing Mr S. into level with Mr Lakshmanan Rao & not with Mr. Mudr. Paras 22 of G.O. No 2 5927 - D. 20 Feb 1923 also make it clear that Mr. Mudr was considered as removed from the grade of Senior Supts (Vide Art B) by his appt to a higher grade. When the question of appg a Supt was considered also, my recollection is that Mr G. Rao & Mr. Mudr were the names considered, as Senior. Here, besides 6 years senior in service.

(1) His pay was 200 as stated in Supts (now Dcs. Secs) letter, he has the start on that, in the new grade & in a class with above Mr S, unless Govt by an order definitely supersede him.

Nos 1144-46 of 27.7.27

Passes orders on the Reorganisation of the Sericultural Department-

Final Note by the Second Member of Council.

Subject:—

12 Re-organization of the Sericulture Department.

The permanent superior staff of the Sericultural Department consists, at present, of a Superintendent, two Senior Inspectors on Rs 100-50/2-150 and two Senior Inspectors on Rs 100-10-150 Till recently, the Superintendent of Sericulture was an officer in the grade Rs 500-50-1,000; but in view of recent changes in the personnel of the Department, an alteration in the cadre has become necessary.

2. On a careful consideration of the requirements of the present and prospective work of the Department, in consultation with the previous Superintendent of Sericulture, the Director of Agriculture, who was formerly controlling the Department, and the Director of Industries & Commerce to whom it has been since transferred, it has been proposed to re-organize the superior staff of the Sericultural Department as follows:-

I. - Gazetted.-

(1) Superintendent of Sericulture - Rs 250-25-500

the present acting incumbent Mr. H.S.Govinda Rao who has been selected for this post being started on Rs 300 in that grade.

(2) Two Assistant Superintendents of Sericulture .. Rs 150-20-350

Against these two posts, two posts of Senior Sericultural Inspectors on Rs 100-50/2-150 will be abolished.

II. - Non-gazetted.-

Two Senior Inspectors on Rs 100-10-150.

It is proposed to appoint Messrs V.M.Appadurai Mudaliar Shamsuddin Khan who at present hold the posts of Senior Sericultural

Sericultural Inspector, to the new grade of Assistant Superintendents and to start them with two increments in view of the fact that they have been getting the maximum pay of Rs 150 for a long time and that their services have been satisfactory. Mr.V.M.Appadurai Mudaliar who is now drawing Rs 150+Rs 100 Filature allowance +Rs 20 House Rent, will, in addition to his grade pay of Rs 190 proposed above, get an absorbable personal allowance of Rs 30 and a Filature allowance, including House Rent, of Rs 70, which will be attached to the charge of Filature. This arrangement is proposed as it is considered undesirable to reduce the total emoluments of this officer, so long, at least, as he is in charge of the Filature, since he has put in long and satisfactory service and is specially qualified for the work in charge of which he is placed.

4. In regard to the posts of Senior Inspectors in the grade Rs 100-10-150, one of them is being already held by Mr. E.S.Ramanath; and for the other, it is proposed to promote Mr.K.P. Ramaiya, First Class Inspector, who has been acting as Senior Inspector for some years and has been discharging his duties satisfactorily.

5. Messrs Appadurai Mudaliar and Shamsuddin Khan may be allowed to retain their present relative ranks which is in the order in which their names have been given above; but their competitive claims to promotion to the next higher grade will be left open for consideration when occasion arises.

6. The effect of this revision will be a net saving of Rs 1,660 per annum in the permanent recurring average expenditure of the Department.

7. These proposals were discussed in Council at the meeting held on the 14th July 1927 and ~~was~~ were agreed to, and are now submitted for the gracious sanction of His Highness.

OFFG. DIRECTOR OF AGRICULTURE IN MYSORE,

GEN. & REV. SE... 21 FEB. ... DEVELOPMENT DEPTT. Seri. 22-26-5

To

N.Rama Rao, Esq., B.A., B.L.,
Secretary to Government of Mysore,
Development Departments, Bangalore.

Sir,

I have the honor to herewith forward a memo in connecti with the organisation of the Sericultural Department consequent o Mr.Rama Rao's transfer. The memo was drawn up after discussion the matter between myself and Mr. Rama Rao at Mysore and general agrees with the decision arrived at between us. I would howev make the following observations:-

Mr.Govinda Rao's pay be fixed at Rs. 250-25-500 and he may be allowed to draw at least Rs. 300. This is necessary as n only his expenditure will be more, he will have no free quarters now, and his status as Superintendent should be kept up. I do n think that the Filature Superintendent should be quasi independen he will have to be under the Superintendent who must be responsib for all expenditure, though naturally technical details in the wor ing of the Filature will involve on the Filature Superintendent.

In matters of seniority, I should like to put Mr.Appadhore Modaliar second, i.e., before Mr.Shamsuddin Khan, but I admit that after his training in Japan (and being a graduate) he will be the better man to become Assistant Superintendent. The question of handing the whole Sericultural Department to the Department of Industries and Commerce was discussed at the last monthly meeti

If the Department remains intact as now, several additional permanent Sericultural Inspector's posts are necessary, both to bring in the new man Mr.H.S.Venkata Rao as also to make one or two of the present temporary Sericultural Inspectors permanent.

A proper imprest system must be devised to do away with the advances for purchasing cocoons, which has been a fruitful source of trouble in the past.

The menial establishment requires some organisation.

With reference to the handling of the Domestic Basins and the reeling in villages generally, I agree that this must be with the genera staff and not with the Filature Superintendent. This is absolutely necessary for the development of sericultural work in the villages.

I hold in fact that while all work in the villages from rearing to reeling is essentially an agricultural subsidiary occupation, and breeding work, both with worms and mulberry, is essentially - scientific agricultural work for which the work of our Entomologist and Botanist should be brought into requisition, the subsequent stages, i.e. Filature, reeling, twisting, throwing, conditioning, marketing, is strictly commercial or industrial. I think the line of demarcation is very clear and I think that this part of the work could, with advantage, be transferred to the Department of Industries and Commerce. As the question of handing over the Department, either wholely or partly, is under consideration, I wish to place it as my opinion that the division indicated above seems to me the best in the interest of the proper - development of both the Agricultural and Industrial and Commercial - spheres. The Filature is practically a separate concern now, which takes much time of the Superintendent, and when a throwing plant and possibly a weaving shed and the proposed conditioning house are added, the new - Superintendent will have his hand so full that breeding, rearing, mulberry improvement and village reeling, will suffer. There will not be in the Industrial Department the necessary scientific and practical outlook which this portion of the work requires.

Co-operation no doubt is necessary . From Mr. Rama Rao's

Mr. Rama Rao 's experience it is difficult in the case of privately owned Filatures, but if it is a matter between two Government Departments, there should not be any difficulty.

The more detailed organisation can only be taken up after th question of transfer is settled, and in submitting the above note intend to make it clear that while the transfer of the whole Departm would be a relief and while I opine that the industrial section sho ipso-facto go to the Industrial Department, I do not wish to have it said that I shirked the interest of the agricultural section of the work.

The matter of Mr. Shamsuddin Khan's depuation to Japan and Mr. Appadhore Modaliar's to Northern India is being submitted separately.

I have the honor to be,

S i r,

Your most obedient servant,

Offg. Director of Agriculture.

EO

M e m o.

Note proposed for the future working of the Department.

Charge of the Department:-

Mr. H.S.Govinda Rao, B.A. (Sr.Sericultural Inspector on Rs. 150) to be Superintendent of Sericulture on Rs. 250-25-450.

Gazetted Staff:-

Messrs. K.Shamsuddin Khan B.A. and V.L.Appadhorai Mudaliar (Sr. Sericultural Inspectors on Rs. 150) to be Assistant Superintendents of Sericulture on Rs. 190/- in grade of 150-20-350. I have proposed to give them two increments in advance, because the have been getting Rs. 150 for a long time, Mr. Appadhorai Mudali for 5 ½ years and Mr. K.Shamsuddin Khan for 3 ½ years. Mr. V.L. Appadhorai Mudaliar, no doubt, has been actually drawing Rs. 270 (grade pay 150 plus Fil. Superintendent's allowamce Rs. 100 plus H.R.Rs.2 but Rs. 120/- out of this is in effect Duty Allowance contingent on his remaining in charge of the Filature.

If it is decided to keep the Filature as a permaner part of the Sericultural Department (which I think necessary) Mr.V. Appadhorai Mudaliar may be simply designated Filature Superintendent and started on Rs. 290 in the grade 150-20-350 on the clear understanding that this does not make him senior to Mr.Shamsuddin Khan. The question of their relative position, however, may not come up in practical form, as the Mr. Govinda Rao is younger than Mr.Appadhorai Mudaliar, but it would be as well to decide it once for all.

In making these proposals, I have fully considered the fact that Mr. Appadhorai Mudaliar, though lacking in the general qualifications requisite for administrative control of a department has much professional skill, and is an expert in his particular branch of work. He has rendered satisfactory service in the Department since its inception. I strongly feel that he should not suffer in emoluments in consequence of the present changes.

In placing Messrs. Govinda Rao and Shamshuddin Khan above Mr. Appadhorai Mudaliar, I am merely giving effect to what, I believe, was the intention of Government. Graduate Irobationers

were appointed to secure for the Department men with scientific education, and it was (I think) decided to give them preferential treatment over men who had risen from the ranks. The question was in effect reconsidered in 1923, when Mr. Shamsuddin Khan was confirmed as Sr. Inspector. To differentiate between the Sr. Inspectors who had been directly recruited and the Sr. Inspectors who had risen from the ranks, the former were given a more attractive grade of pay - Rs. ~~100-50/2~~ 100 - 50/2 -150 than the latter who got only Rs. 100-10-150.

Filature.

In regard to the Filature, I wish to make a few points very clear.

(1) It is absolutely necessary to keep the Filature to pioneer improvement in reeling, and to advertise Mysore silk and sericulture.

(2). The Filature requires close direction and I doubt whether Mr. Govinda Rao is competent to exercise it. For one thing, he has no knowledge of Filature technique; for ~~one~~ another, he is unfamiliar with problems of marketing. A third condideration, which I advisedly put last, but which nevertheless is entitled to weight, is that there might be possibilitizes of friction in putting Mr. Appadorai Mudaliar, who has been longer in the Department, under Mr. - Govinda Rao in a relation where stong and frequent control is necessary- Human nature being what it is, the situation may be unpleasant to both and disastrous to the concern. Yet, it is very necessary that the Filature should not break off entirely from the Department. I would therefore propose that superior control should be exercised exclusively by the Director of Agriculture himself. The Superintendent of Sericulture should not interfere with the internal arrangement or working details of the Filature, though he should be the medium of communication between the Filature Superintendent and the Director of Agriculture. In matters where he differs from the Filature Superintendent, he may submit a memo giving his reasons, for the orders of the Director. In regard to purchases of cocoons, the Filature Supt. may of his own authority incur expenditure upto Rs. 1000 a month; with the approval of the Superintendent of Sericulture this limit may be

be extended to Rs. 2500. For purchases exceeding this amount, the previous sanction of the Director may be prescribed. This arrangement ought, with the exercise of tact, and with no more than ordinary give and take between the two officers, ought to suffice for arriving at a satisfactory personal equation.

If this should fail, there would be nothing for it but to place the Filature directly under the Director of Agriculture.

I would separate out the work connected with Domestic Basins and the improvement of village reeling, and place it under the Superintendent of Sericulutre as part of the general work of Department. This would be in the fitness of things, as the improvement of reeling and introduction of better machinery require intensive village work in co-operation with the Panchayats, and have to ~~to~~ hand in hand with seed distribution.

Allocation.

(1) Mr. H.S.Govinda Rao, Mysore, for charge of Department as Superintendent of Sericulture.

For the charge of Farm and District work, I would as a temporary measure, propose Mr. H.S.Venkata Rao, B.Sc. This young man is keen and intelligent and quite competent, under Mr.Govinda-Rao's guidance to look after experimental work also. Mr.Govinda - Rao may be asked to transfer to Mysore from Channapatna such part of the experimental work as he thinks necessary.

(2). Mr. K.Shamsuddin Khan to Channapatna. He may also be appointed Secretary of the newly ~~formed~~ formed Silk Association, if Govt. sanction the request made by that body. The minor transfers of staff may be left to be settled by these two officers.

The other officers will remain in their present places

Definition of Powers.

A.G. 57-18-45

Superintendent of Sericulture:- May continue to exercise all the powers vested in the appointment with the following modifications

M.
I.O. 156607 345/20
I.O. 97-24-4

(1) The limit of sanction of loans may be lowered to Rs.250.

(2).Direct disciplinary action over staff may be delegated to immediate superiors- the Superintendent retaining merely powers

powers of revision and appeal.

Assistant Superintendents:- They may be authorised to grant leave to their subordinate staff and to fine up to Rs. 2/-. They might appoint menials within the sanctioned scale. They might incur expenditure within a limit of Rs. 25/-, and grant loan up to Rs. 100/-. This would decentralise work and add to efficiency. The loan records would be sent to the Head Office, where consolidated accounts would be kept.

Some urgently necessary steps

An additional Senior Inpector has to be immediately appointed in place of Mr.Govinda Rao. I have proposed that Mr. H.S.Venkata - Rao, B.Sc., might be temporarily put in charge of the Mysore Circle- and till other arrangements are sanctioned, he might be a pointed Sr Sericultural Inspector. I consider him so competent that I would recommend his claims for due consideration when permanent arrangements are thought of.

A permanent Mechanic is absolutely necessary. I have urged this repeatedly and this appointment is more necessary now than ~~then~~ it was when I first urged for it. The Department has 3 pumping outfits, and has distributed a number of reeling basins of its own design. This is a branch of work that is bound to develop. It will also have a refrigerating plant next year. We have to provide not only for the care of our own machinery, but for timely help to the village people who buy our reeling outfit. I have proposed that P Sundar Rajoo, the Filature Mechanic, who worked under Mons. Charlux e French Textile Engineer, and who has been very serviceable to me ~~remaining~~ the Filature and designing the Domestic Basin may be ken on the permanent cadre of the Department on a suitable grade. I have proposed 70-5-100).

Refrigerating Plant:- This has been sanctioned.

Deputation:- It is very important that Mr.K.Shamsuddin Kha.. ould be sent to Japan for at least 2 years to specialise in seed roduction and the organisation of seed supply. He might make a areful and comprehensive study also of the co-operative organisation sericulture in Japan. A few months in a Conditioning House would useful, as we shall have to establish one sooner or later. He

He might also learn some thing about artificial silk which Japan manufactures on a large scale, and the economic inter- relation between that article and real silk. Japan, which is the largest silk producing country in the world, ~~must~~ must needs have studied the problem and devised measures to safeguard her ~~precious~~ premier industry.

O.R D E R NO. D. 1144-6 / Seri 22-26-8

Dated. Bangalore

The permanent superior staff of the Sericultural Deptt., consists, at present, of a Superintendent, two Senior Inspectors on - Rs.100-50-150 and two Senior Inspectors on Rs.100-10-150. Till recently, the Superintendent of Seri., was an officer in the grade Rs.500-50-1000 and the posts of Senior Inspectors were held by Messrs. H.S. Govinda - Rao, K.Shamsuddin Khan. V.M.Appadhurai Mudali ar and E.S. Ramanath. Mr. V.M.A. Mudaliar however, is drawing a special salary of Rs. 250/- plus 20/- (House Rent) for being in charge of the Filature at Mysore.

2. In view of the recent changes in the personnel of the Sericultural Department, the Director of Agri., who was then in administrative control of the Department, in consultation with the previous Superintendent of Seri., has recommended that the pay of the Superintendent may be fixed at Rs.250-25-500 and that Mr. H.S. Govinda Rao may be started on Rs.300/- in that grade. He has further

proposed that Messrs.K. Shamsuddin Khan and V.M.A. Mudaliar may be appointed Asst. Supdts. of Sericulture in the grade Rs.150-20-350 and given two advance increments each, in view of the fact that they have been drawing their present pay for a number of years. The Director I & C., (to whom the general control of the Sericultural Deptt., has been since transferred) has also been consulted and he concurs in the proposals of the Director of Agriculture.

3 On a careful consideration of the case, Government are pleased to pass the following orders on the above proposals

(i) The pay of the Superintendent of Seri. will be fixed at Rs.250-25-500 and Mr.H.S.Govind Rao will be permitted to draw Rs.300/- per mensem in that grade.

(ii) The two posts of Senior Sericultural Inspectors on Rs.100-~~50~~ 150 will be abolished and in their place, two gazetted posts of Asst. Supdts. of Sericulture on Rs.150-20-350 will be created and Messrs.K. Shamsuddin Khan and V.M.A. Mudaliar will be appointed to those posts and started with two increments; that is to say on Rs.190 in the new grade. Mr. V.M.Appadhurai Mudaliar who is now drawing Rs.150-plus 100 Filature allowance plus Rs.20/- (H.R) will, in addition to his grade pay of Rs.190/- get an absorbable personal allowance of Rs.30/- and a Filature allowance(including house rent)of Rs.70/- which will be attached to the charge of the Filature. He will continue to be in charge of Reeling and the Filature under the designati Superintendent in charge of the Filature".

(iii) In the permanent vacancy of Senior Inspector consequent on the appointment of Mr. H.S. Govinda Rao as Superintendent of Seri[illegible] the following arrangements are hereby ordered

1. Mr.K.P.Ramaiya, I Class Inspector, now temporary Senior Inspector is confirmed as Senior Inspector.
2. " H.S. Venkata Rao, B.Sc., acting - Senior Inspector, is appointed I Class Sericultural Inspector, (permanent) and will continue as Senior Inspector in the temporary post released by the confirmation of Mr.K.P. Ramaiya. ~~in the temporary vacancy of that grade held by Mr. Ramaiya~~.

The effect of this revision will be a net savings of Rs.1,660/- per annum in the permanent recurring average expenditure of the Department as shown in the appended statement. The changes sanctioned in this order will come into effect from 1st June 1927.

The Comptroller is requested to make the necessary provision in the next year's budget in pursuance of the changes sanctioned in this Order.

In view of the recent changes in the personnel of the Sericultural Department, the Director of Agriculture who was then in administrative control of the Department, in consultation with the previous Superintendent of Sericulture, has recommended that the pay of the Superintendent may be fixed at Rs. 250—25—500 and that Mr. H. S. Govinda Rao, may be started on Rs. 300 in that grade. He has further proposed that Messrs. K. Shamsuddin Khan and V. M. Appadhorai Mudaliar may be appointed Assistant Superintendents of Sericulture in the grade Rs. 150—20—350 and given two advance increments each, in view of the fact that they have been drawing their present pay for a number of years. The Director of Industries and Commerce (to whom the general control of the Sericultural Department has since been transferred) has also been consulted and he concurs in the proposals of the Director of Agriculture.

Government are pleased to pass the following orders on the above proposals:—

(i) The pay of the Superintendent of Sericulture will be fixed at Rs. 250—25—500 and Mr. H. S. Govinda Rao, will be permitted to draw Rs. 300 per mensem in that grade.

(ii) The two posts of Senior Sericultural Inspectors on Rs. 100—50/2—150 will be abolished and in their place, two gazetted posts of Assistant Superintendents of Sericulture on Rs. 150—20—350 will be created and Messrs. V. M. Appadhorai Mudaliar and K. Shamsuddin Khan will be appointed to those posts and started with two increments; that is to say, on Rs. 190 in the new grade. Mr. V. M. Appadhorai Mudaliar who is now drawing Rs. 150 plus 100 Filature allowance plus Rs. 20 (house rent) will, in addition to his grade pay of Rs. 190 get an absorbable personal allowance of Rs. 30 and Filature allowance (including house rent) of Rs. 70 which will be attached to the charge of the Filature. He will continue to be in charge of Reeling and the Filature under the designation "Assistant Superintendent in charge of the Filature."

(iii) In the permanent vacancy of Senior Inspector consequent on the appointment of Mr. H. S. Govinda Rao as Superintendent of Sericulture the following arrangements are herbey ordered:—

1. Mr. K. P. Ramiya, I Class Inspector, now temporary Senior Inspector, is confirmed as Senior Inspector on Rs. 100 in grade of Rs. 100—10—150.
2. Mr. H. S. Venkata Rao, B. Sc., acting Senior Inspector, is appointed I Class Sericultural Inspector (permanent), on Rs. 57—4—77 and will continue as Senior Inspector on Rs. 100 in the temporary post released by the confir mation of Mr. K. P. Ramaiya.

The effect of this revision will be a net savings of Rs. 1,660 per annum in the permanent recurring average expenditure of the Department as shown in the appended statement. The charges sanctioned in this order will come into effect from 1st June 1927.
